

Heltoften Bed & Breakfast 2023

Heltoften offers our guests a venue of one of the most scenic views of Mors – with many possibilities for walks or biking in the beautiful surroundings.

It is my hope that you will enjoy the place, the relaxing atmosphere of the house and the rooms.

Our focus in 2023 is sustainability in all perspectives.

The house has been designed with Neo Feng Shui principles creating a welcoming home-like feeling.

In order for me to make your stay comfortable I have made a summary of **practical information**.

If you need further information just **ask**.

I wish you a pleasant stay.
